Dear Mrs. Boyd:

This letter is in reference to docket number 2008-159-S on behalf of the Northwood Estates Neighborhood Association. We are asking you to please delay the contract between Midlands Utility and Orangeburg Department of Public Utility (DPU).

At this moment, we are trying to work with Midland Utility and DPU to rectify issues pertaining to our sewer system/services in our neighborhood. We continue to receive astronomical increases in our bill to the point paying over \$70.

Midland only responds when there is a problem, however, they do not maintain the system and therefore the cost is passed on to us. We have been informed by DPU that we are paying for the infiltration of rain water in our sewer system due to a lack of maintenance on behalf of Midland Utility.

We would like to discuss our concerns further with the commission.

We appreciate your consideration and cooperation in this matter.

If you need additional information please call 803.534.1598 or 803.347.5353.

Thank you.

Sincerely,

Barbara Johnson-Williams, President
Northwood Estates Association
